

Welcome to TVA's New Supplier Connections Portal

Supplier Connections Home Page You will find various navigation points on the Supplier Connections Home Page located at <https://supplier.tva.gov>.

Please note: Existing suppliers with active vendor numbers and active contract(s) should use the **Yellow Existing Supplier Box** on the right to access Supply Chain's secured portal to conduct specific business functions related to their TVA contract (s).

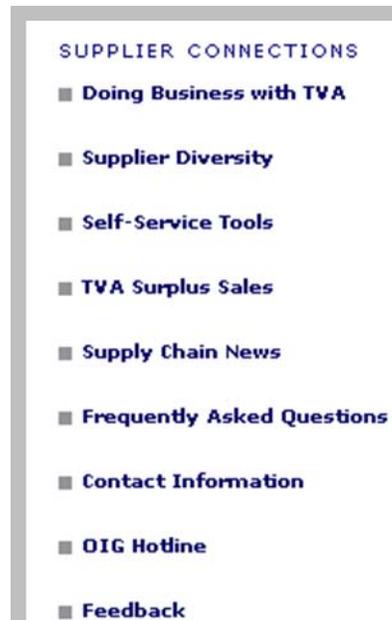

Top Menu Bar

A menu bar at the top of the Home Page will provide links to the main areas of the TVA Web site. The menu bar will be regularly updated.

Left Navigation Points

A menu bar on the left will provide links to the main areas within the Supplier Connections Portal site. The navigation buttons will appear on each page within the site.

The navigation points on the left will include the following:

- **Doing Business with TVA** - Learn about Supply Chain processes, requirements, sourcing strategies, category management groups, materials/services, registration, business functions accessible to existing suppliers, new vendor set-up information and process for making changes.
 - What We Buy (Materials and Services we purchase)
 - Potential Suppliers (Supplier Registration)
 - Existing Suppliers (Vendor Information/Changes)
- **Supplier Diversity** - Overview of TVA's program, commitment, selection criteria and registration.
- **Self-Service Tools** - Links to Supplier Registration Form, VIQs, Elance, and Existing Supplier Login/Register information.
- **TVA Surplus Sales** - Links to a variety of materials and equipment that TVA offers for sale
- **Supply Chain News** - Electronic announcements, Web site guides, Supplier Excellence newsletter and other Supply Chain information.
- **Frequently Asked Questions (FAQs)** - Questions asked most frequently and the answers are posted here for your information. The questions are organized as FAQs about Supply Chain, Doing Business with TVA, Invoicing, Elance and TVA's Supplier Diversity Program.
- **Contact Information** - Contact Information for the main TVA offices in Knoxville and Chattanooga, Category Managers, and the Supplier Diversity Contacts.
- **OIG Hotline** - Link to confidential connections for reporting fraud, waste or abuse affecting TVA.
- **Feedback** - Electronic submission options for questions/suggestions about the site and Supply Chain.

Right Quick Links Areas- The following links are provided in the feature boxes on the right side of the Supplier Connections Home Page and are repeated throughout the Web site:

Specific links for **Existing Supplier (yellow feature box)** include:

- **Login** - Access to the secure portal and EAM/Maximo Business Functions for existing suppliers with an active contract, vendor number, and user ID and password.
- **Register** - Link to site for existing suppliers with active contracts and vendor numbers to input required personal and company details to obtain access to the Supplier Connections Portal.
 - Notification of access requires 2-5 business days and is subject to a periodic review confirming the need for access to TVA's system.
- **Ealnce** - Link to Contract Workforce Management's Ealnce software.
- **VIQS** - Link to TVA's invoicing query system to submit electronic invoices and check payment status.
- **WCSS Instructions** - Link to TVA's web contractor security system.
- **WCSS Registration Form** - Link to form used to identify a company's vendor administrator.

Specific links for **Potential Suppliers (yellow feature box)** include:

- Supplier Registration Form (*Online registration form will be coming soon*)
- Learn more - about TVA's registration process, selection criteria, sourcing database, and notifications.
